Greetings, West Liberty Residents!

As we approach the summer season, I hope this newsletter finds you well and enjoying the warmer weather. I have several important updates and announcements to share with you, including our upcoming Spring Cleaning event and a community survey that will help shape the future of our recycling services.

Spring Cleaning Event

We are excited to announce our annual Spring Cleaning day, which will take place on **July 6th at Lion's Park, 8 am to 1pm**. This is a fantastic opportunity to declutter your homes and dispose of unwanted items in an environmentally friendly manner. Please take note of the items that are allowed and prohibited for disposal:

Allowed Items: Yard toilets ;-), Non-freon appliances, furniture, household junk, renovation debris (no commercial contractor debris), Leftover shingles (small quantities), paint cans if open and paint is dry.

Prohibited Items: Propane/oxygen tanks (closed pressurized vessels), Tires, Freon-containing appliances, Batteries, Brush/trees, Fuels/combustibles, Household garbage/food waste, Recyclable or compostable items

This service is offered exclusively to West Liberty residents. Please remember to bring a valid ID to verify your residency.

Recycling, Recycling, Recycling!!!
