

The Village News

Street Department:

Village crews salt and plow the streets with each storm. You can assist the crews by moving your vehicles off street. It is difficult to get the plows down the streets with cars parked on each side of the street.

Please be considerate of others when removing snow from your property. For the safety of our residents, it is imperative that property owners take responsibility to clear their own sidewalks. When the sidewalks are clogged with snow and ice it forces residents to walk in the street.

Reminder: All mattresses, soft or cloth furniture needs to be wrapped in plastic before being picked up on your regular trash pick up day. There will be a charge on your utility bill.

Street Sweeping will be done the following dates

Mach 29th	July 12th
April 12th	August 9th
May 10th	September 13th
June 7th	October 4th

Please move your vehicles off street between the hours of 6:30 AM and 12:30 PM so streets can be swept properly. By Village Ordinance vehicles may be towed if they are not moved.

Thank you for your cooperation.

Bill Detrick
Street Superintendent

The Village of West Liberty received a Safety Grant in the amount of \$131,931.00 by ODOT to install two crosswalks at Sidney St and Leonard St. These will be constructed 2022.

WL Fire Department:

If you are an able-bodied person and willing to clear snow around the fire hydrant closest to you, we would appreciate the assistance. It helps to locate the hydrant quickly and reduces the amount of time it takes to connect to fight a fire.

Also, please make sure your house numbers are large enough to be read from the street. Being able to see addresses at night help reduce Fire/EMS response times in locating the emergency.
